

The Arizona We Want

Aligning Action with Community Priorities

PIMA COUNTY

Through close listening to communities and leaders across the state, Center for the Future of Arizona (CFA) created [The Arizona We Want](#), a shared vision of success around what matters most to Arizonans that expresses their highest aspirations and hopes for the future.

Our [2020 Gallup Arizona Survey](#) captured a realistic and contemporary picture of what Arizonans think about life in our communities and what they want for our state over the next decade. It revealed that **Arizonans agree on much more than we disagree—including seven [Shared Public Values](#) and over 40 actions** to move Arizona forward.

The following findings show the most important issues to Arizonans in Pima County and opportunities for action.

Priorities Identified in the Gallup Arizona Survey

Responses to the survey question, “What three issues are most important for Arizona’s future?” illuminate priorities for Arizonans.

The top four issues that Arizonans in Pima County identified as most important are:

How Do We Take Action on Priorities?

For each priority, the first question might be, “How can the community work together to address these concerns?” The following charts show key insights related to the stated priority issues. Use the data below, from the [2020 Gallup Arizona Survey](#), to guide discussions on addressing the priorities in your communities.
